Okanogan, WA 98840

Dear Commissioners Branch, DeTro and Hover:

I want to thank you for the opportunity to serve Okanogan County as a Planning Commissioner for the last several years and regretfully tender my resignation.

As a planning commissioner, my goals have been to help produce effective, legally-defensible planning documents that protect the interests of present and future county residents, guide sustainable development and respect the diverse communities of Okanogan County. Under the previous Planning Director, the Planning Commission had an active and collaborative role in developing planning documents, and I felt that the hard work I did to participate was well worth the time and effort.

That is no longer the case. Unfortunately, I now feel that there is no longer a meaningful opportunity for me to pursue my initial goals or to represent the views of my constituents through participating in the planning processes.

Accordingly, I respectfully ask you to accept my resignation from the Planning Commission, effective immediately.

Best regards, and thank you again for allowing me to serve,

Gina McCoy
