

## Proposed 2019 Fees

Table 3. Shows a comparison current tipping fee of \$74.00 per ton and the other fees currently charged at the Okanogan County Solid Waste facilities vs. the proposed tipping fee increase of \$81.50 per ton and the other fees charged at the Landfill and Transfer station facilities were recommended by SWAC on April 2<sup>nd</sup> 2018.

Table 3

| Current Fee's vs Proposed Fee's <i>implemented 3/1/2019</i> |                   |                              |
|---|-------------------|------------------------------|
| MSW   | \$74.00 per ton   | \$81.50 per ton              |
| Car and Truck tires   | \$5.00 per unit   | \$8.00 per plus weight, **   |
| Mounted Large truck tires                                   | \$10.00 per unit  | \$25.00 per, plus weight, ** |
| House Hold Appliance  | \$12.00 per unit  | \$15.00 per, plus weight, ** |
| Refrigerants  | \$19.00 per unit  | \$20.00 plus weight, **      |
| Refrigerants/Only   | \$19.00 per unit  | \$25.00 per unit**           |
| Non Friable Asbestos  | \$148.00 per ton  | \$165.76 per ton             |
| Large Animal Carcass  | \$25.00 per unit  | \$35.00, plus weight         |
| Minimum   | \$11.40 min 290lb | 15.00 min 360lb              |
| Contaminated Soil   | \$36.00 per ton   | \$40.32 per ton              |
| Car Wash Sand   | \$25.00 per ton   | \$27.50 per ton              |
| Recovery Charge **  |                   | \$25.00 per unit             |

### Note:

Refrigerants only and Car Wash Sand was not discussed during the SWAC meeting, these are current fees that need to be adjusted. At this time we would like to propose new rates, with explanations.

We would also like to propose a new Metals only weight at \$81.50 per ton, with explanation.
